**SUMMERFEST!**

No city on earth loves to party as much as San Antonio! The San Antonio Public Library is celebrating a summer of reading fun with a party we call SummerFest. Readers (and listeners) of all ages—children, teens and adults—are invited. Will there be party hats? Yes! Music? Refreshments? Surprises? You bet! No matter which library branch you call home—join us for this system-wide celebration on Saturday, July 30, 11am to 2pm at Central Library (600 Soledad, 78205).

**SUMMER READING FOR GROWNUPS**

The Summer Reading Program isn’t just for kids! Grownups are encouraged to participate by reading (or listening to) four books for the chance to win fun prizes. Whether you’re reading for personal development, fun, or romance (we don’t judge), reading sets an important example for your children and families. Participate in the Summer Reading Program by joining in book clubs and discussions at your local branch. Check out the branches’ recommended reading list at mysapl.org/srp. Be sure to check out our ever expanding digital collection and choose from many thousands of eBooks and eAudio books that you can download to your portable device. Make reading a family priority and don’t forget to GO to the San Antonio Public Library this summer!
