Learn about the Curious Case of Human Cadavers at the San Antonio Public Library

San Antonio Public Library hosts program titled *The Curious Lives of Human Cadavers*

What: A presentation on cadavers and how the donated bodies are utilized

When: 6 p.m., Wednesday, July 13, 2016

Where: Forest Hills Branch Library, 5245 Ingram Rd., 78228

More about the Program

The San Antonio Public Library will host Dr. Daniel Wescott, Director of the Forensic Anthropology Center at Texas State University- San Marcos, at Forest Hills Branch Library on Wednesday, July 13. Dr. Wescott will discuss the donation of human remains for scientific research, the reasons people choose to donate, and samples of research projects being conducted at the human decomposition facility at Texas State University.

This event is part of the Adult Summer Reading Program at Forest Hills Branch Library and is related to the branch book selection, *Stiff: The Curious Lives of Human Cadavers* by Mary Roach. Anyone interested in reading the book can pick up a copy at the reference desk. For more information about the event, call 210-207-9230.

The San Antonio Public Library: changing lives through the power of information, imagination, and ideas.

For more than 110 years, the award-winning San Antonio Public Library (SAPL), has been a vital center for free learning, knowledge, communication, culture and enjoyment within the City of San Antonio and for all Bexar County residents. The Library system is comprised of a world-class Central Library, 26 branch libraries and a library outlet at the Briscoe Western Art Museum. Collections include an extensive collection of eBooks, eAudiobooks, movies and music as well as physical items such as printed books and DVDs. All locations are hubs for WiFi broadband access and provide access to computers and other digital technology. In addition, Central Library and branches offer programs to serve the needs and interests of the community, including programs for all ages that support early childhood literacy, education, culture and economic development. One San Antonio

Diverse, internationally connected and globally competitive, San Antonio has a vibrant culture and economy and is consistently ranked among the fastest-growing cities in the United States. America's seventh-largest city offers opportunities in industries ranging from bioscience, financial services, aerospace, cybersecurity, energy and transportation manufacturing to healthcare. We are "Military City USA," home to crucial military commands supported by a patriotic citizenry. We welcome 31 million visitors annually who inject \$13.4 billion annually into our economy, and UNESCO recently designated the city's Spanish colonial missions as a World Heritage Site. Celebrating its 300th anniversary in 2018, San Antonio is a city with a storied past and an even brighter future. For more information, visit www.sanantonio.gov.
